

CHRONIC PAIN

RESEARCH PARTICIPANTS WANTED

RECEIVE **\$25** FOR YOUR TIME & EFFORT AFTER COMPLETING THE STUDY

In the **Pain Studies Lab** at SFU, we are seeking adults over 18 years old who live with Chronic Pain for an EEG study on our Virtual Reality(VR) application.

What will I do in the Study?

- The study will take about 2-hours to complete.
- You will be interacting with a VR application designed for chronic pain treatment using mindfulness-based meditation.
- During the VR intervention, your EEG will be collected.
- You will also be asked to fill out a pre-and post-intervention questionnaire regarding your pain intensity and your experience in our VR environment.

To participate, you must be:

- 18+ years old.
- Right-handed.
- Have an existing medical diagnosis of chronic pain for 6 months or more.
- You have a normal or corrected-to-normal eye vision
- You have a normal hearing.
- Able to understand, read, and write in English.
- Able to wear a VR headset and sit-stay for 20 minutes.
- Have received two dosages of the COVID-19 vaccine.
